

MEDICINES COMPRISE 8.3% OF THE TOTAL HEALTHCARE BUDGET

COSTS OF CARE IN BILLIONS OF EUROS

* The decrease in gross expenditures (basis) in 2019 is the result of a modified definition; as of 2019, funds for Social Support Act (Wmo) and youth care will no longer count as expenditures relevant for the Financieel Beeld Zorg [Healthcare Financial View].

— Total costs of care (BKZ) — Sales of prescription drugs
